

MAGNA CARTA PARK

COVID-19 Protocols for Viewings

PROTECTING YOU & OTHERS

Our sales office and show home are now open by appointment. We are also available on phone or email to assist you with any queries you may have. Please see below the precautions that will be taken should you arrange an appointment to visit our sales office or show home.

VISITING OUR SALES OFFICE OR SHOW HOME

The following precautions will be taken when you visit either our sales office or show home:

- We will meet you outside the main entrance to Magna Carta Park;
- All information will be exchanged by email, so you don't handle any paper brochures;
- We will be wearing protective clothing and masks, in keeping with company protocol designed to keep you and our staff safe;
- We will provide you with gloves, masks and antibacterial wipes;
- The team will use the lift separately to anyone visiting the development;
- The team will maintain social distance and wait outside the house or apartment if this is preferred;
- There will be bins at the exit to enable gloves to be thrown away after the visit.

VIRTUAL VIEWING AVAILABLE

If you are not comfortable with carrying out viewings in person, we can arrange a virtual visit for you. Furthermore, if you prefer not to or are unable to travel to sign legal paperwork, we can arrange an electronic signature with your lawyer.
